

## ADD DIERS Membership – 2015 Dues Payment

The reorganization of the DIERS Users Group within the AIChE has resulted in a change to a Technical Entity called “DIERS”. The basis for membership in DIERS has been changed from CORPORATE REPRESENTATION to INDIVIDUAL MEMBERSHIP. Eligibility for membership in DIERS is contained in the new Bylaws, which are posted under MEMBERSHIP on the [www.aiche.org/diers](http://www.aiche.org/diers) website. Individual membership requires a yearly payment of \$25 directly to AIChE for the benefit of DIERS.

For payment of CY 2015 DIERS Dues (any previous DIERS membership payments in 2014 apply to CY 2015):

- A. Select DIERS membership and include \$25 for DIERS Dues when you register / renew your annual AIChE membership by Mail or E-Mail solicitation.
- B. Call AIChE Customer Service at 1-800-242-4363 and request to pay your AIChE and / or DIERS dues by credit card.
- C. Go to the [www.aiche.org/diers](http://www.aiche.org/diers) website and use the links to JOIN AIChE and DIERS for \$25 (Already an AIChE Member or are applying for joint membership) or only JOIN DIERS (Not also AIChE Membership) for \$75.

NOTE: Use the country of residence link to determine your cost of AIChE Membership.

Attendance at future DIERS meetings will be limited to those who have paid their DIERS dues before or at the time of registration for the DIERS meeting.

The present website access to the restricted / confidential information (Meeting Minutes / Membership Lists) has been cancelled. New access and passwords will be issued to the newly registered DIERS Members.

NOTE: DIERS will be undertaking many new Initiatives, Activities, and Special (Funded) and General (Unfunded) Projects. There will be many opportunities for all to suggest, participate, champion, and lead these activities. Corporate suggestions for new funded and unfunded initiatives and projects are welcomed and are being solicited.

All are encourage all to become DIERS Members and to become involved with and participate in the many activities of the new DIERS.
