Please keep this email on hand as it is the easiest way to access your project requirements and submit your work

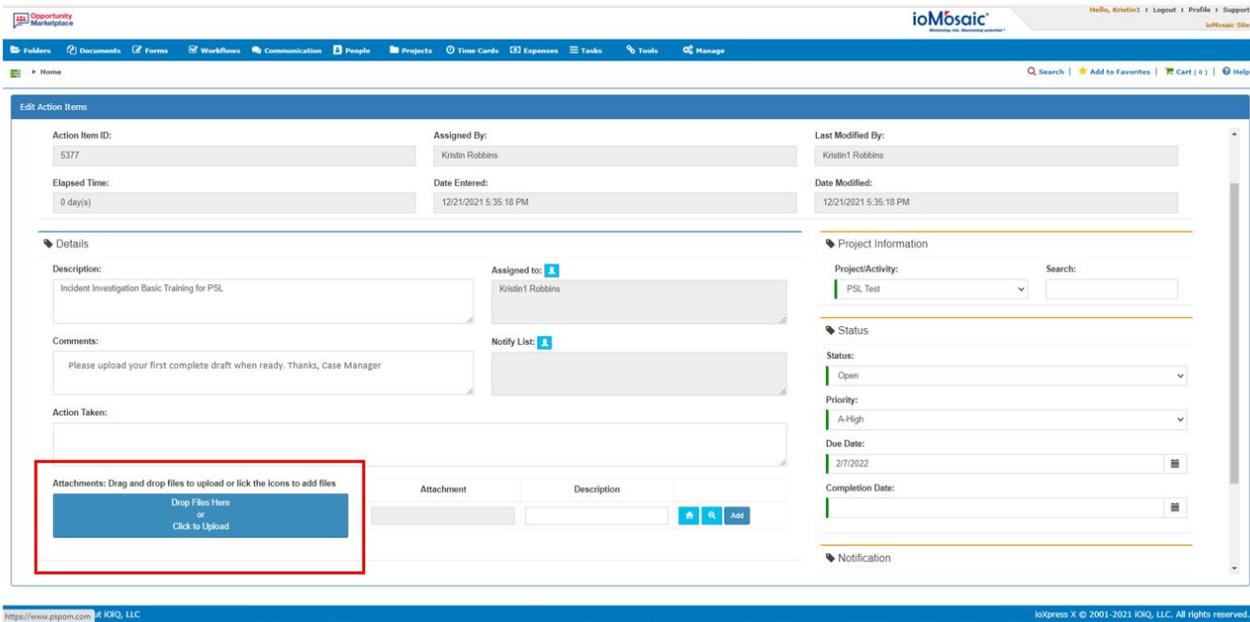

You must enter your login credentials and press “Login”.

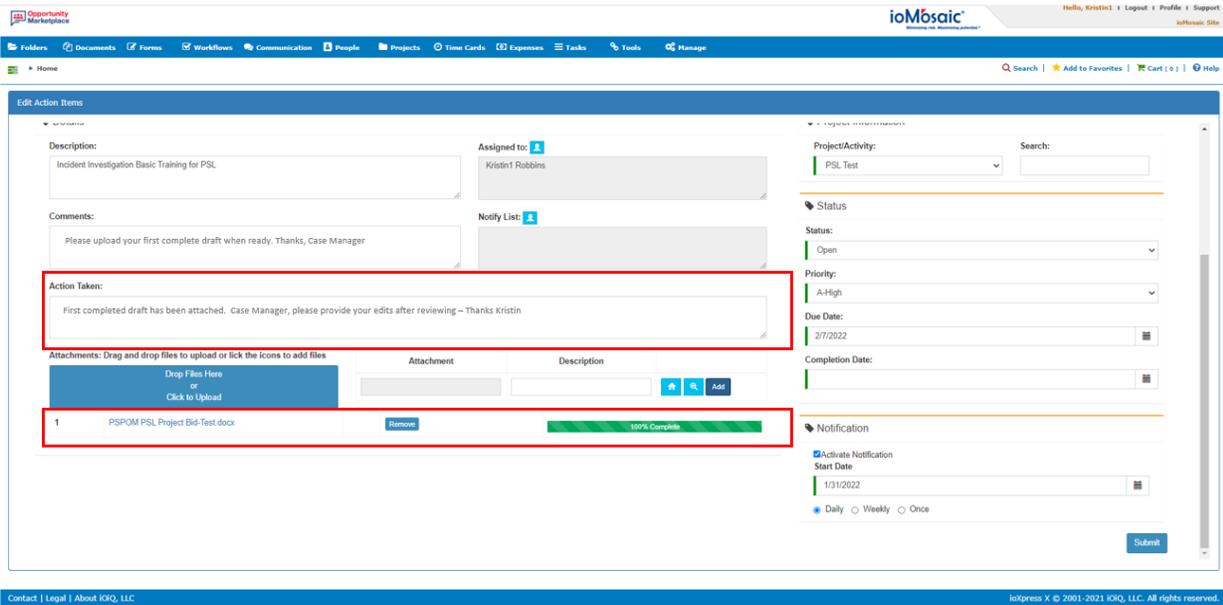

Then the Action Item task screen will populate. From this view, you can see important details such as the task description, any comments the Case Manager has provided, the due date.

Click the “Drop Files Here or Click to Upload” button to upload your work. Either move your files to this area or click the button, locate your file(s) and press “Add”.

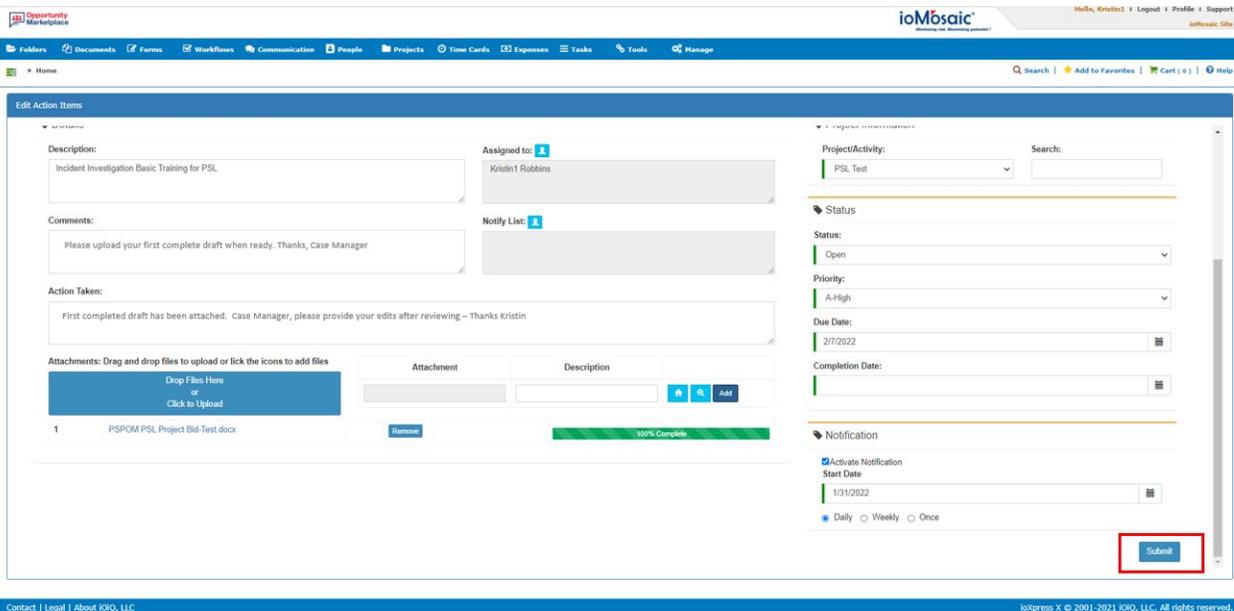

A progression bar will appear and indicate when the attachment is successfully uploaded. Suppliers are also encouraged to use the Action Taken field to provide comments/details to your Case Manager. After your comment, be sure to indicate your name or initials.
